Levi P. Dodge Middle School

October 2018

Dear School Community Member,

In an effort to help prepare 8th grade students for high school and the years beyond, Dodge Middle School will be joining Boeckman Middle School for an 8th grade career fair on **Thursday, December 6th, 2018**.

It is essential that all students have an understanding of the different career pathways that are accessible to them. Our hope is the career fair will expose students to different options available and help them choose high school courses and college/career options based on this information.

In order to make this day successful, we need your help! We are asking that you support Farmington middle school students by volunteering your time or recruiting others to present information about potential careers during our career fair.

There are two opportunities to volunteer. Either by participating in a panel-style discussion with employers that employ high school aged students, or participating in traditional career fair setting with booths, exhibits, and answering questions about your career. If possible, we encourage you to bring tools or items from your job.

The 8th Grade Career Fair will take place the afternoon of **Thursday, December 6th, 2018 from 12:00 – 2:25**, at Boeckman Middle School. Your willingness to volunteer your time for our career fair will help 8th grade students gain an understanding of what careers will be a good fit for them. For those interested, we will provide specific details and suggestions about your role at the Career Fair.

Thank you so much for your support!
