

Campus Portal Account and Schoology

What's the Difference?

Campus Portal Account- shows student scores on assignments and calculates your child's running grade as scores are entered into the teacher's gradebook.

Schoology – each teacher has a Schoology webpage. Schoology pages contain class updates, class resources, and reminders.

Setting Up a Campus Portal Account

If you do not already have a Campus Portal Account, you can begin the process of setting up your account by contacting the **main office** at DMS at 651-460-1500. By updating your e-mail address and indicating your interest in a Campus Portal Account. You will receive an invitation to register online from the **"Campus Portal E-mail Account"** within 48 hours of your call. When you reply to the e-mail you are agreeing to the terms and will receive an "Activation Key" that is used to create a new Campus Portal Account. If you have children at more than one school, you do not need to call more than one main office.

Schoology

Accessing Schoology

1. Go to www.schoology.com
2. Click – Sign up (upper right)
3. Click – Parent
4. Enter access code (Call DMS main office at 651-460-1500 for your parent access code.)

By logging into Schoology with a Parent Access Code, parents will see all of the groups and courses their child is enrolled in. Schoology also provides “current time” information about assignments, projects and connects you to teachers.
