

PARENT ENGAGEMENT NIGHT

Dodge Middle School will be hosting an informational meeting for 5th grade parents regarding the 2018-2019 transition to middle school on Tuesday, March 13 beginning at 6:30pm in the gym. (The location has been moved from the cafeteria due to the larger size of the incoming class.)

PLEASE CHECK THE LOST AND FOUND - ALL ITEMS WILL BE DONATED TO CHARITY 3/23/18

There are many items in our lost and found bin in the main hallway across from the office. Please encourage your student to check the bin for any missing water bottles, lunch boxes, clothes, swim suits, etc. All items will be donated to charity during spring break.

2017-18 ASSESSMENT INFORMATION

At Farmington Area Public Schools, we are committed to providing our students with personalized learning experiences. To best achieve this, we regularly assess students' growth. Various classroom and standardized assessments aid teachers in providing for individual instructional needs and identifying class trends. We strive to consider the whole picture when serving our students. Having multiple types of assessments helps provide a fuller picture of each student's needs.

Farmington Area Public Schools administer two sets of large scale standardized assessments: the Minnesota State Accountability tests and the NWEA MAP tests. We highly encourage you to read more about what each assessment provides for your student(s), and [have provided a chart](#) for this purpose.

Parents and guardians do have the right to request their student(s) not participate in a scheduled assessment. If you wish your child not to take one or more of the planned assessments, please make sure you understand the role of the assessment and complete the appropriate form.

2018 MCA TESTING SCHEDULE

We will begin our MCA testing the week of March 19th with 8th Grade Science. You can view the "Detailed Testing Calendar [HERE](#) for the full district schedule. The specific detail for Dodge Middle School will be posted in Schoology for students to access. Science testing will take place in our computer labs while the Reading and Math test will take place on students' iPads. In order for students to be able to test on the iPad they need to have their iOS system updated to the most recent version and free up at least 1 GB of space. They may need to delete photos, videos and/or apps to free up enough space. Thank you for your assistance in preparing your student's iPad for testing!

NEW this year is that students will need to use headphones in order to view and hear the MCA directions prior to testing. Please ensure that your student has a set of headphones that plug into their iPad and work correctly. If you are not able to secure headphones, please contact our main office at 651-460-1500.

ATTENTION PARENTS OF CURRENT 8TH GRADE STUDENTS – REGISTRATION INFORMATION

DID YOU KNOW?

Attendance Line: 651-460-1505

If a student will be absent, a parent/guardian must call Dodge Middle School's attendance line at 651-460-1505 between 7:00 AM and 8:15 AM each day of the absence. We ask that parents/guardians provide the reason for the absence at the time they call. The school determines if the absence falls within the excused or unexcused parameters. If the school does not receive a call from the parent/guardian the day of the absence, the student's absence is automatically unexcused.

To request a pre-excused absence, a parent/guardian needs to complete the online "[Request to Waive Unexcused Status of Absence](#)" form (a link to the form is provided here).

You can access this link by visiting the Dodge Middle School webpage and clicking on the green icon located on the bottom right of the page titled "Pre-Arranged Absence". Below is the image of the icon on the DMS website:

Please note that the form should be submitted at least 5 school days in advance of the absence.

Assignments & Homework Shortcuts

We've created a shortcut for you to view your child's weekly assignments and homework that are maintained in a Google Doc organized by grade level houses.

You can access these shortcuts by visiting the Dodge Middle School webpage and clicking on the yellow icon located on the bottom right of the page titled "Assignments". Below is an image of the icon on the DMS website:

You can also click [HERE](#).

The most recent information is located at the top of the document while past week's information can be viewed by scrolling down the document. This information is also present through Schoology.

Should you have a need to access specific assignments, please use your Parent Schoology Access Code or have your student visit the specific course in Schoology. Questions related to specific assignments should be directed to your student's teacher.
