

**CONSENT TO PUBLISH STUDENT WORK AND
MEDIA RELEASE FORM**

The purpose of this form is to provide parents/guardians the opportunity to deny consent for the school district to publish their student's work and video/audio recordings, covering any activities during the normal course of education in the school district.

Farmington Area Public Schools value the use of technology tools in the classroom. Utilization of technology may increase student engagement, encourage student participation, boost creativity, facilitate communication with other learners and educators in other parts of the nation and world, and expand the classroom experience beyond physical barriers.

The use of technology tools may include, but is not limited to, blogs, videos, wikis, electronic pen pals, email, and others that make it possible to share content with classmates, students across the globe, and, where appropriate, the general public. Through the use of these educational tools, the school district may cause student work or video/audio images to be published by including materials in instructional materials, booklets, blogs, emails, websites, closed circuit television, messaging, video/audio connections on the Internet or intranet, brochures or flyers used in award ceremonies, sports, or fine arts presentations, and any other form that may be used to distribute or communicate the work.

- I deny consent** for the school district to publish my student's work and video/audio recordings. I understand that I can withdraw my denial of consent and replace this consent form with another form at any time.
