

Want to learn more about our community?

How do I register my family with the school census office?

What number do I call for a non-emergency response?

Who do I contact to set up city services?

How do I enroll a child in school?

Living in the Farmington Area School District, ISD 192 can be confusing for new and long-time residents. It's comprised of the City of Farmington, local townships, and even part of the City of Lakeville!

Who do I contact to set up city services? What number do I call for a non-emergency response? What school will my child attend? Get the answer to these questions and more at Farmington Area Connects. This informal meeting will include a short presentation, Q + A, and time for visiting local resource tables to help you become more connected in the Farmington Area.
